## Experience DeBunga Residensi first hand

There's a special sense of excitement and delight when a garden blossoms. After all the love and care invested on that plot of earth, how does your garden grow?

Our feelings are not so dissimilar as DeBunga Residensi takes shape. Little by little, acre by acre, what began as an inspiration will soon become reality. There's still much that needs to be done, but enchantment awaits.

Now, you can drop by the garden enclave-in-the-making and take a peek at DeBunga Residensi. Situated on the fringes of the Ampang and Ulu Gombak forest reserve, soon the scenery that will greet residents is one in a million: mist covered hills in the distance, flowers dancing in the gentle breeze, rippling streams. And not forgetting, what spectacular homes DeBunga Residensi offers. Visit our on-site Sales Gallery or register your interest today.
